§ 280.32

schools are qualified to implement the special curriculum of the magnet schools: and

- (iv) The applicant, as part of its nondiscriminatory employment practices will ensure that its personnel are selected for employment without regard to race, religion, color, national origin, sex, age, or disability.
- (3) To determine personnel qualifications the Secretary considers experience and training in fields related to the objectives of the project, including the key personnel's knowledge of and experience in curriculum development and desegregation strategies.
- (c) Quality of project design. (35 points) (1) The Secretary reviews each application to determine the quality of the project design.
- (2) The Secretary determines the extent to which each magnet school for which funding is sought will—
- (i) Foster interaction among students of different social, economic, ethnic, and racial backgrounds in classroom activities, extracurricular activities, or other activities in the magnet schools (or, if appropriate, in the schools in which the magnet school programs operate):
- (ii) Address the educational needs of the students who will be enrolled in the magnet schools;
- (iii) Carry out a high quality educational program that will substantially strengthen students' reading skills or knowledge of mathematics, science, history, geography, English, foreign languages, art, music, or vocational skills:
- (iv) Encourage greater parental decisionmaking and involvement; and
- (v) Improve the racial balance of students in the applicant's schools by reducing, eliminating, or preventing minority group isolation in its schools.
- (d) Budget and resources. (5 points) The Secretary reviews each application to determine the adequacy of the resources and the cost-effectiveness of the budget for the project, including—
- (1) The adequacy of the facilities that the applicant plans to use;
- (2) The adequacy of the equipment and supplies that the applicant plans to use; and

- (3) The adequacy and reasonableness of the budget for the project in relation to the objectives of the project.
- (e) Evaluation plan. (15 points) The Secretary determines the extent to which the evaluation plan for the project—
- (1) Includes methods that are appropriate for the project:
- (2) Will determine how successful the project is in meeting its intended outcomes, including its goals for desegregating its students and increasing student achievement; and
- (3) Includes methods that are objective and that will produce data that are quantifiable.
- (f) Commitment and capacity. (10 points) (1) The Secretary reviews each application to determine whether the applicant is likely to continue the magnet school activities after assistance under this part is no longer available.
- (2) The Secretary determines the extent to which the applicant—
- (i) Is committed to the magnet schools project; and
- (ii) Has identified other resources to continue support for the magnet school activities when assistance under this program is no longer available.

§ 280.32 How is priority given to applicants?

- (a) How priority is given. In addition to the points awarded under §280.31, the Secretary gives priority to the factors listed in paragraphs (b) through (f) of this section by awarding additional points for these factors. The Secretary indicates in the application notice published in the FEDERAL REGISTER how these additional points will be distributed.
- (b) Need for assistance. The Secretary evaluates the applicant's need for assistance under this part, by considering—
- (1) The costs of fully implementing the magnet schools project as proposed:

- (2) The resources available to the applicant to carry out the project if funds under the program were not provided;
- (3) The extent to which the costs of the project exceed the applicant's resources; and
- (4) The difficulty of effectively carrying out the approved plan and the project for which assistance is sought, including consideration of how the design of the magnet school project—e.g., the type of program proposed, the location of the magnet school within the LEA—impacts on the applicant's ability to successfully carry out the approved plan.
- (c) New or revised magnet schools projects. The Secretary determines the extent to which the applicant proposes to carry out new magnet schools projects or significantly revise existing magnet schools projects.
- (d) Selection of students. The Secretary determines the extent to which the applicant proposes to select students to attend magnet schools by methods such as lottery, rather than through academic examination.
- (e) Innovative approaches and systemic reform. The Secretary determines the extent to which the project for which assistance is sought proposes to implement innovative educational approaches that are consistent with the State's and LEA's systemic reform plan, if any, under the Goals 2000: Educate America Act.
- (f) Collaborative efforts. The Secretary determines the extent to which the project for which assistance is sought proposes to draw on comprehensive community involvement plans.

Subpart E—What Conditions Must Be Met by a Grantee?

§ 280.40 What costs are allowable?

An LEA or consortium of LEAs may use funds received under this part for the following activities:

- (a) Planning and promotional activities directly related to the development, expansion, continuation, or enhancement of academic programs and services offered at magnet schools, though planning activities are subject to the restrictions in §280.41(a) and (d).
- (b) The acquisition of books, materials, and equipment (including computers) and the maintenance and operation thereof. Any books, materials or equipment purchased with grant funds must be:
- (1) Necessary for the conduct of programs in magnet schools; and
- (2) Directly related to improving the reading skills or knowledge of mathematics, science, history, geography, English, foreign languages, art, or music, or to improving vocational skills.
- (c) The payment or subsidization of the compensation of elementary and secondary school teachers:
- (1) Who are certified or licensed by the State;
- (2) Who are necessary to conduct programs in magnet schools; and
- (3) Whose employment is directly related to improving the reading skills or knowledge of mathematics, science, history, geography, English, foreign languages, art, or music, or to improving vocational skills.
- (d) The payment or subsidization of the compensation of instructional staff, where applicable, who satisfy the requirements of paragraphs (c)(2) and (3) of this section.
- (e) With respect to a magnet school program offered to less than the entire school population, for instructional activities that—
